A WELCOME NOTE FROM OUR FOUNDER

Hello, my name is Caspian Lennox. I would like to thank you for making time to look through our Introductory Brochure in order to learn about our Private Event Services.

NUM NUM means 'Tasty' and is inspired by the sound of a young child enjoying their food. DRINKS & TINGS is the name of our High-End Premium Private Event Cocktail Bar and Entertainment team. We provide quality Drinks service, with Music and Magic options, for private individuals and businesses events across London and the Home Counties.

Quality and personality. With meticulous planning, quality ingredients, and first class service, our Events are focussed on ensuring you and all your guests thoroughly enjoy yourselves, strengthen friendships, relationships, and create lasting memories together. We have fine tuned our offering with 20 years experience in hospitality, events, and entertainment.

Our team come from some of the best cocktail bars in London, selected to join us for their skills, adaptability, positivity, and reliability. They are what I like to call 'People People' with high personal standards and strong interpersonal skills, and a natural ability to create a fun and positive atmosphere.

We offer Fully Pre-Paid Open Bars and Fully Licensed Cash & Card Bars, both with or without Physical Bar units, and are committed to minimum waste, recycling wherever possible.

With a detailed understanding of UK Licensing Regulations and our responsibilities, all our Events have:

- A Personal Licence Holder and NCASS Health & Safety Qualified Event Manager on site for the whole event.
- An Emergency First Aid at Work (EFAW) Qualified First Aider with appropriately stocked First Aid kit.
- Tailored Risk Assessment
- Full Insurance Cover with: Professional Indemnity Insurance, Product and Public Liability Insurance, and Employers' Liability Insurance.

As Drink Specialists we often work alongside Food Caterers. Infact, we are believers in the concept of strong collaborative partnerships and have established such working partnerships with a small, hand-picked group of outstanding independent Caterers, in order to offer BBQs, Buffets, Canapés, and fresh Made-to-Order Wood-Fired Pizzas for your Event. Let us know if you interested to learn more about this and we will share further details.

As you look through our introductory brochure, do please feel free to reach out to us with any questions. Whatever you are celebrating, we look forward to the opportunity of being there with you, to make it a special experience for you and all your guests!

Thank you again. Come on inside and let the good times roll...

QUALITY PHYSICAL BARS

An actual quality Physical Bar brings real class with stylish visual impact to your Event.

It also gives our team a safe, well thought out, practical, and defined working space and environment.

Our Physical Bars are made with high grade stainless steel. Designed for maximum functionality, allowing our Bartenders to focus on smooth service.

Variety of sizes catering for small and intimate events with one or two bartenders through to larger scale events with 12 bartenders.

COCKTAILS

DRINKS & TINGS offer a range of Classic, Contemporary, and Signature drinks, with a mixology team also on hand to create something special for your Event.

The menu is arranged according to the main base ingredient in the drink: The Smoked Orange Negroni (below) is found in the 'Gin Cocktails' Section and the Amaretto Sour (pictured on the right) is found in the 'Other Cocktails' Section.

We use a range of Non-Alcoholic Spirits to make Non-Alcoholic versions of a number of cocktails, so that everyone can fully enjoy the cocktail experience. No-one gets left behind!

PRODUCT SELECTION

Our Product range spans 3 Price Point Tiers
(Up Market House, Premium, and Top-Shelf Super Premium)

Some of our clients wish to offer their guests the full Cocktail Menu with Premium and Top-Shelf Spirit and Liqueur brands, but most prefer to keep it simple with a smaller selection of 5 - 10 cocktail options. We have included 2 sample menus in this brochure.

Quality and budget. As with food, the freshest and highest quality ingredients tend to blend together to create the best results. There are, however, occasions where one product is simply more expensive for expensive sake. This is our area of expertise and we are available to help wherever needed.

Once your Product Stock, Cocktails, and Glassware are chosen, Tasting sessions will be arranged for you and handful of family, friends, or colleagues, to get everything just right.

After that, we can then go ahead with designing and printing menus for you, including any artwork, special message, branding or anything else that you would like. We consult and take any direction from you along the way, giving you 'Final Approval' before the design goes to print. Designs need 'Final Approval' a minimum of 3 weeks prior to the Event date.
